

Rebuilding More Than Homes

We understand this is a challenging time. While the path forward can feel different for everyone, one thing is certain: you don't have to go through it alone. We're here to guide you through the rebuilding process with care, expertise, and clarity.

Your Trusted Building Partner

We understand the challenges you face, and we're committed to helping you return home quickly and efficiently.

Our program is designed to shoulder the burden, simplifying the complex rebuilding process and restoring both your peace of mind and the heart of our community.

Our one-stop solution manages everything from insurance claims and financing to permitting and the construction of high-quality, fire-resistant homes, ensuring a stress-free experience.

We commit to a set price and timeline to build your home allowing you to focus on rebuilding your life.

The Only Builder Giving Altadena
Families Cost and Rebuilding Certainty.

Genesis Builders is committed to minimizing complexity by simplifying the entire home rebuilding process...

Our Turn-Key Solution

Insurance

Review the policy to ensure you understand the policy coverage you're entitled to.

Pre-Approved Home Plans

Choose from custom designed homes, pre-approved by LA County, streamlining the design and permitting process.

Secure Financing

Select from our preferred lenders to make rebuilding financially accessible.

Fixed Price & Set Schedule

Clear and upfront costs, eliminating unexpected change-orders.

Full-Service Construction Management

From permits to move-in. We manage every aspect of construction, delivering quality craftsmanship through our network of local professionals.

10-Year Home Warranty

Long-term peace of mind with one of the industry's most comprehensive warranties.

1250 to 2200 SF

We leverage efficient building practices to provide homes at exceptional value.

Customizable Features

Personalize your space with designer selected finishes and upgrades. Everything else cancel

Local architectural styles

Choose from four architectural styles: Mediterranean, Traditional, Craftsman, and Bungalow.

Accessory Dwelling Unit (ADU)

Ask about our ADU options to add value while rebuilding your future.
